The Bottleneck Breakthrough Questions

From *Power Habits®* by Dr. Noah St. John, Habit #7: Embrace Your Simplify System

> *"A leader's most important job is to eliminate bottlenecks."*
> *Power Habits®, p. 222*

Answer these once today. Then answer them again after Day 5 of the Reset, and watch which answers change.

Part 1: Identification

1. What are the current bottlenecks in my business?

2. What is currently stopping my business from growing?

3. Why aren't I getting the results I want?

4. Was there a time when these bottlenecks weren't here?

Part 2: Significance

1. How serious is this problem?

2. Can I remove these bottlenecks myself, with my current knowledge and experience?

3. Would it benefit me to bring in someone to help me remove these bottlenecks?

Part 3: Cost

1. How much money will it cost me this year if I don't remove these bottlenecks?

2. How much will it cost me in lost time?

3. What about lost opportunity?

4. What will happen if I don't do anything to remove these bottlenecks in the next 12 months?
